

CLERK'S OFFICE ALERT

Electronic Delivery of Working Papers Pilot Project Ending on JULY 18, 2008

King County Superior Court and the Superior Court Clerk's Office jointly announce the conclusion of the Electronic Delivery of Working Papers Pilot Project on **July 18, 2008**.

After July 18, 2008, working copies will no longer be accepted electronically by the Clerk. The submission process for working papers submitted after close of business on July 18, 2008 reverts back to pre-pilot delivery mechanisms. Pilot participants may continue to submit working papers electronically to the Clerk through July 18, 2008, regardless of the scheduled date of the motion.

The pilot began on April 14, 2008. Participation in the pilot has been very high which was very helpful to this project's success. Participants are now being asked to provide feedback about the pilot via an electronic survey.

The Court and Clerk extend their thanks to all who participated in the pilot.

Please direct specific questions about the pilot to Teresa Bailey at teresa.bailey@kingcounty.gov
